Shereen,

We've received the final CSTAG comment memo, which I'm forwarding to you for distribution to the CAG. They've asked for this memo once it's final, and here it is.

I suspect the CAG will want some discussion of this at the meeting on May 10, but since there are other agenda items, I'm not sure what kind of discussion, or how much time, there would be for this. Definitely something to add to our planning call with Ana and Doug!
